

TRUE NORTH

Calibrating the Family Compass

Colossians 3:1-17

Every once in a while, a traveler must consult a compass to confirm the path. There are two great ways to do this: on the shores of Long Lake in Minnesota's great north woods; but better still, in the pages of God's Word. They'll both be coming together in July at family week! Bring your family and calibrate your family compass while enjoying all the fun, challenge, and life change that make up a great week at Pine Haven.

FAMILY CAMP WEEK

JULY 2-7, 2017
