

2012 Ladies Weekend

Beauty Instead of Ashes

Our Guest Speaker is Kendi Howells Douglas — a native of Minnesota who “grew up” at Pine Haven. God took a near-tragic event in Kendi’s life and turned it into a beautiful story of joy and praise. He can do the same for you in the midst of your ashes — maybe it’s a divorce, a cancer diagnosis, a prodigal child, unemployment. When life’s circumstances are beyond what we had planned, let God make beauty from ashes.

The purpose of this weekend is to be a true spiritual retreat — a time to come together with like minded women for the purpose of renewal in the Word, refreshment in the Spirit and rest in the Father.
