

Work Weekend 2017

May 11-13

Work Weekend is a chance to help get camp opened up and ready for this upcoming season.

Come for an afternoon, a day or for the whole weekend and put some sweat equity into the camp. Everything from construction work and demolition work to raking leaves and cleaning out buildings - there's something everyone can help out with.

Specific Work Weekend projects will be announced on the website but we always need help with -

- blowing, raking, hauling leaves at camp
- installing the docks
- prepping buildings
- putting out recreation equipment

Young or Old - Male or Female - all are needed.

It's a FREE weekend of fun, food, fellowship and work. It's an exciting time at Pine Haven - Come and get in on the action!

RSVP at www.pinehavencamp.org
