

*Pine Haven Christian Assembly*

# ***Women's Scrapbook & Craft*** **WEEKEND RETREAT**

***September 12-15, 2024***

***Once Upon an Apron...***

***To keep our attitudes, smiles, and hearts “in place”  
and useful all day, our “aprons,” need to be “starched”  
with God’s Word and prayer.***

Aprons have long been worn by maids and servants. They keep a person tidy and presentable. And, when an apron is starched, it is prepared to stay in place and be useful all day.

As Christian women, we throw on “aprons,” in the form of upbeat attitudes, pleasing smiles, and compassionate hearts. They keep us presentable when serving the Lord. And, we aim to “serve wholeheartedly, as if...serving the Lord, not people...,” like Ephesians 6:7 says.

*To keep our attitudes, smiles, and hearts “in place” and useful all day, our “aprons,” need to be “starched” with God’s Word and prayer. ✨*

*Join us with your projects, scrapbooks, and friends for a get-away weekend to refresh your soul and enjoy your craft.*

*Pack your aprons - we’ll provide the starch.*
