This camp is all about one thing:
Going Deeper.

Deeper in your walk with Jesus.
Deeper in your relationships with
others.

Deeper in what you believe, and why
you believe it.

Just like Paul challenged the early
followers of Jesus, we believe the
same call still stands today. Not
to stay on the surface, but to
press in. To grow. To be rooted.

**COME READY.
COME CURIOUS.
COME READY TO GO DEEPER.**
