

Family Camp Weekend

August 6-9

Colossians 2:6-7

A life rooted in

Faith, Bible and Community

foundation in Christ

The foundation on which we build our families needs to be strong and secure. There is nothing more secure than faith in Jesus Christ. Join us for an extended weekend as we dig our ROOTS deep into our Faith, the Bible, and the Community of the Church, so that no matter the storm, we will be ROOTED.

There will be great worship, teaching, games, and fellowship on the beautiful shores of Long Lake.

**Please make plans now to join us.
