WHERE CAMP AND CHRIST GO TOGETHER

For many people Pine Haven Christian Assembly is one of their favorite places in the world. Maybe PHCA is a favorite because of fond memories, meaningful friendships that were made there, faith formation or simply the beauty of the tree covered, lake side, sun soaked landscape. It's hard to put a finger on why exactly our Pine Haven is such a desirable destination.

Perhaps it's because this setting is one of those "THIN PLACES", a place where the divine and our world meet or the veil between them seems THINNER.

C.S. Lewis says, "It is well to have specifically holy places, and things, and days, for, without these focal points or reminders, the belief that all is holy and 'Big with God' will soon dwindle into mere sentiment."

Join us for Adult Weekend at PHCA where we will spend time in of our favorite place, focusing on what makes it special and how we might maintain some of those characteristics in our everyday lives.

Adult Weekend is crafted for ALL ADULTS OF EVERY AGE who intend draw close to God, enjoy fellowship and worship, and to be renewed by spending time in this THIN PLACE.
