PHCA FAMILY WEEK

JUNE 28-JULY 3

There's no place like Pine Haven for a family adventure you'll never forget. Travel the road of courage, heart, and renewed minds as we explore what it means to follow Jesus and find our true home in Him.

From exciting kid programs to peaceful moments for adults, every member of the family gets exactly what they need. Expect laughter, worship, fresh faith, and memories that last long after the week ends. It's joyful, meaningful, and one of the best vacation values of the summer.

Ephesians 2:19

"You are no longer strangers and foreigners, but fellow citizens with God's people and also members of His household."
